Term Paper Evaluation   **Name** _____

Overall Writing
- Virtually error free; occasional error not distracting

1   2   3   4   5   6   7   8   9   10
- Presents information logically and clearly

1   2   3   4   5   6   7   8   9   10
- Concise, yet comprehensive, discussion of issues

1   2   3   4   5   6   7   8   9   10

Summary of Environmental Impact Statement

General Considerations
- Clear statement of purpose for project

1   2   3   4   5   6   7   8   9   10
- Clear description of project

1   2   3   4   5   6   7   8   9   10
- Clear description of activities affecting environmental attribute

1   2   3   4   5   6   7   8   9   10

Existing Conditions
- Clearly discusses source of information and/or methodology

1   2   3   4   5   6   7   8   9   10
- Clearly and logically describes existing conditions

1   2   3   4   5   6   7   8   9   10

Environmental Consequences
- Clearly discusses source of information and/or methodology to predict impacts

1   2   3   4   5   6   7   8   9   10
- Clearly and logically describes impacts

1   2   3   4   5   6   7   8   9   10
- Establishes and justifies the significance of the impact

1   2   3   4   5   6   7   8   9   10

Mitigation
- Clearly identifies need for mitigation

1   2   3   4   5   6   7   8   9   10
- Clearly explains the proposed mitigation

1   2   3   4   5   6   7   8   9   10

Comment for Response (in form a letter to Lead Agency)
- Clearly explains how EIS/EA was deficient in addressing topic

1   2   3   4   5   6   7   8   9   10
- Clearly explains request for information to redress issue

1   2   3   4   5   6   7   8   9   10

Total _____
