

**Physics Courses I have taught at PSU  
(1988 – 2023)**

1. Ph 123      General Astronomy (III)
2. Ph 201      General Physics (I)
3. Ph 202      General Physics (II)
4. Ph 203      General Physics (III)
5. Ph 311      Introduction to Modern Physics (I)
6. Ph 312      Introduction to Modern Physics (II)
7. Ph 313      Introduction to Modern Physics (III)
8. Ph 411/511    Introduction to Quantum Mechanics
9. Ph 425/525    Classical Mechanics (II)
10. Ph 434/534    Methods of Mathematical Physics
11. Ph 471/571    Atmospheric Physics
12. Ph 617      Quantum Mechanics (I)
13. Ph 618      Quantum Mechanics (II)
14. Ph 619      Quantum Mechanics (III)
15. Ph 631      Electromagnetic Fields and Interactions (I)
16. Ph 631      Electromagnetic Fields and Interactions (II)
17. Ph 633      Electromagnetic Fields and Interactions (III)
18. Ph 666      Statistical Mechanics (III)
