My dear Sir,

Enclosed herewith above find a list of forty different works containing 1237 volumes. They will be sent to your care in four cases as soon as I receive a notice from your desk [once] the chair for a Chinese Professorship is established. I have retained a few [books] for reference.

The twenty four dramatic histories (?) belong to the mission. If I owned a copy, I would gladly give it to the college.

Dr. Williams will be able to give you an idea of the character of the books in the list. I write you speedy success in the \_\_\_\_\_.

Very Respectfully Yours,

Yung Wing
