SACRED COSMOS "City of God"
immanent or (cyclical) transcendent (linear)

Human Nature to have "no nature" - over-endowed & underspecialized
plagued by consciousness
"condemned to freedom"
Existential Human Condition
of "Dis-owners into the Universe"
Anxieties: chaos, aloneness, meaninglessness

Note the story of Genesis
God (who stands outside of time & space) creates the world out of chaos and establishes order; God then makes man & provides him with companionship; man then eats of the tree of knowledge
In this way the three basic anxieties are assuaged, met, answered
