

FORMS OF ALIENATION among the Proletariat:

- ***From the product /commodity,***
which is not expressive of one's Self (Species Being)
- ***From the process of production,***
increasingly a cog in the machinery of production
- ***From one's fellow workers,***
who are obstacles, competitors
- ***From one's Self (Species Being), the creative locus of one's own life,***
instead defined and treated as a commodity

FORMS OF ALIENATION among the Bourgeoisie:

- ***From the product /commodity,***
which is not expressive of one's Self (Species Being)
- ***From the process of production,***
increasingly a cog in the manipulations of finance
- ***From one's fellow capitalists,***
who are obstacles, competitors
- ***From one's Self (Species Being), the creative locus of one's own life,***
instead defined and treated as a means to an end
