

Here are a few practice naming problems. Table 2.5 in your book will be helpful. I did not leave you space to name them because I want you to redraw them. It's good drawing practice for the test. If you want more practice in naming, there is a book on reserve in the library - Organic Nomenclature, 3rd ed., Traynham (WAM.Tra 334)

Don't worry about cis and trans on this one  
just name the bicyclo

"Dancing Robot "

"Running Robot"
