Learn a language. Expand your world. Finally, there's a way to learn a new language that's easier than you could ever imagine. Rosetta Stone interactive software teaches you any of 30 languages, all without translation, memorization, or grammar drills. It's so effective that NASA, the U.S. State Department, and a variety of Fortune 500® executives have made it their language tool of choice. That's also why we can back it with a six-month money-back guarantee.

The natural way to learn. Rosetta Stone's award-winning Dynamic Immersion™ method taps the skills you used to master your native language. By combining real-life images and the voices of native speakers, you become immersed in your new language and retain what you learn.

SPEAK: Speech-recognition tools compare your pronunciation with a native speaker.

LISTEN: Native speakers and everyday language develop your listening comprehension skills naturally.

READ: Build your reading skills by linking written language to real-life objects, actions, and ideas.

WRITE: Practice writing the new language and receive immediate feedback.
