HERE'S WHAT OTHERS HAVE SAID ABOUT

Schau ins Land®

"*Schau ins Land* has made it possible for me to say honestly that I can speak German." - **F.M., Decatur, GA**

"I want to take this opportunity to thank you for this unbelievably wonderful tape-magazine...After ten years of studying German, both at the university level and through the U.S. State Department's German language tapes, I was really ready to give up the ghost. Then I discovered *Schau ins Land*... and everything has changed for me. My German has improved fantastically, especially my comprehension. As you know, there is no way any one person could look up either the vocabulary or cultural information that you provide. Neither can one receive such clear and precise German, spoken naturally...I have no idea whose idea this was originally, but boy, was it a good one." - **M.S., Albuquerque, N.M.**

"*Schau ins Land* is a breakthrough in language self-instruction. This is the first educational tutorial of any kind that I have ever seen for adults which tries and succeeds to entertain, inform, and instruct." - **D.D., Huntington Beach, CA**

"This is the highest-quality language program I have ever seen. The production is terrific, you've thought of everything. But the most fun thing about *Schau ins Land* is the high interest content of the text...thanks for all the hours of fun I have when I get my (bi)monthly *Schau ins Land*." - **C.A., Olivenhain, CA**

"I had no idea what I was getting into when I phoned in my order, but I thought I would take a chance, and your tapes have exceeded any expectations that I had about the merit of *Schau ins Land*." - **K.R., Dayton, OH**
