**Want to learn a foreign language?
Are you struggling with a school language course?
You need Language Laptop**

Language Laptop is perfect for:

- Global business travelers
- High school and college students
- Anyone looking for a powerful laptop at an affordable price

Small, lightweight and powerful, the Language Laptop is manufactured by Dell, a respected name in computers. This customized portable laptop comes complete with software that offers more than 300 hours of language lessons and 40 different activities for beginning, intermediate and advanced students. The system's speech recognition capability is the most advanced on the market.

Buy now to take advantage of our special Back to School offer!

Purchase the Language Laptop computer and software, regularly priced separately at more than \$700, by September 1 and youâ€™ll pay our Back to School sales price of just \$389. [Click here to find out more, or to order your Language Laptop today!](#)

**Don't miss out on this back-to-school offer.
You must order by September 1, 2009.**
