At the end of the day, write a letter to a friend who lives in the States describing what you actually did. Be careful not simply to list the places you walked past but to talk about some of the things you did that made the day interesting.

Экскурсия по Московскому кремлю. *Theme: Write a letter to a friend in which you describe your visit to Red Square and the Kremlin.*

1. What are some strategies to make a typical account like this more interesting? List at least two. (Как сделать такой рассказ более интересным?)
2. Can you follow the route described in the letter you are reading? Sketch it in on the drawing of the Kremlin provided. Note down the verbs of motion used along the route you sketch. (Отметьте маршрут по Кремле, описанный в письме. Запишите глаголы движения.)
3. Was there anything confusing about the sequence of events or explanation given? (События рассказа последовательно, логически связаны?)
5. What did you find most interesting about the narrative? Least interesting? (Что больше всего вас заинтересовало? Меньше всего?)
