German 101 — Scoring Guide for Project K 07 (F2006) Dream Trip

Rule of thumb for 4/satisfactory: German messages are simple, accurate sentences of 3 or more syntactic units, with frequent use of vocabulary from Kontexte 5-7 where needed, and inclusion of own vocabulary; vocabulary worksheet clearly shows benefit of contextual vocabulary learning and reliable dictionary use; website list consists at least half of German-language sites and includes several types of content; letter to benefactor describes the proposed trip and also tells about learning German seriously; at least one piece of supporting material (website printout or description of such).

	on time (5%)	vocabulary (20%)	worksheet: websites (20%)	lodging inquiry (20%)	arrival message (10%)	support kit (10%)	appeal for support (15%)
6	received within 1 week of when the assignment was activated <i>27 Nov.</i>	required travel words all correct; most of the other meanings are given; own list has 7 ambitious, accurate words	>10 websites, most of them in German, several types of content AND clear differentiation within types of content (ex: hotel AND hostel sites)	Expresses the necessities of the message fully and accurately; rich specialized vocabulary; also adds personal elements, such as description of self and intended activities, including special interest.	See left, though customization will necessarily be brief.	Several attractive and balanced pieces of supporting material. Sheer quantity of website printouts or portfolio items is not enough.	Trip is carefully tied to learning German and something else. Trip and learning German are put into a larger educational perspective. Uses a special ploy (offer to show websites; German version of the appeal). Benefactor's heart (if there) melts.
5	later than 6, earlier than 4	1 required word wrong, 3/4 of other meanings; own list mostly ambitious & correct	almost 6	almost 6	almost 6	Plenty of material, but not carefully organized and not all of it of high quality.	almost 5.
4	received on the date specified <i>6 Dec</i>	5 of 7 required words correct; half of other meanings; own list has 50% ambitious items, most of which are correct	10 websites, half of them in German, with several types of content (travel, accommodations, special interest)	Clear Intermediate-Low sentence creation with adjustment of structures. Accurate, broad use of K-5-7 vocabulary when needed. Includes some individualized vocabulary.	See left, although vocabulary will be modest due to shortness of message	One attractive piece of supporting material (interesting, German-language web printout; work from portfolio).	The letter could be mistaken for the real thing, but does not make a strong case (tone not serious, ideas rather indefinite, vague causality). Instructor could write support letter with a clean conscience.
3	later than 4, but in time to be graded	almost 4	almost 4	almost 4	almost 4	One usable piece of supporting material.	almost 4
2	n.a.	Missing some required words, and some others wrong. Own list mostly words from the core materials.	6 or fewer sites, some German but some English and easily found	Brief (half the specified length), with mixture of fragments and distorted sentences. K-5-7 vocabulary used, but with frequent mistakes.	See left.	One piece of supporting material, but it is not likely to be effective (train schedule printout, isolated picture, heap of plain text).	Brief, half-hearted, vague, and poorly worded letter that is clearly not a serious effort.
1	n.a.	A few items in both parts, many of them wrong	a few easily found sites, mostly in English	A few words are accurate, the rest is either miniscule or, if wordy, heavily distorted.	See left.	Nothing, or else one piece of supporting material that is essentially useless.	Nothing there, or else a very short and sloppy message.

Project K07 "Meine Traumreise" • "My Dream Trip"

Vocabulary (15+ items).

A. The words in the chart below have multiple meanings. Choosing the wrong German equivalent can easily lead to miscomprehension and even embarrassment.¹ For the English words find the German word that relates to travel. Then contrast it to one or more other German equivalents of the same word that mean very different things.

fear of being touched !?

	travel word	other word #1	other word #2
Example: "customs"	at the border Zoll	ways of doing things in an entire culture Sitte, Tradition	personal ways or habits of doing things Gewohnheiten
reservation	of hotel, etc. <i>die Reservierung</i>	limitations requirements <i>berührungsausst</i>	where some Indians live
advance	ahead of time (in advance) <i>Voraus</i>	money received ahead of time <i>die Bank Anzahlung</i>	to go forward <i>ausrücken</i>
deposit	a partial pre-payment <i>die Einzahlung</i>	to make a partial pre-payment <i>anzahlen</i>	a substance left on something <i>die Ablagerung</i>
cancel	to decide not to do something <i>annullieren</i>	to place a mark on something <i>absetzen</i>	
pick up	to fetch someone <i>abholen</i>	to lift up <i>abheben</i>	to clean up <i>aufputzen</i>

B. The following words are ambiguous in English with regard to part of speech. Each can be either a noun or a verb. (Example of verb-noun ambiguity: "You can file [verb] this file [noun].") Choosing the wrong German equivalent will not likely cause embarrassment or downright miscomprehension, but your language will come across as very distorted. For each word list both of its **travel-related** equivalents in German (ex: "drive" (noun) – word for a "drive" in the country, NOT the word for a "driveway").

	stay	delay	drive
verb (action)	<i>wohnen</i>	<i>aufhalten</i>	<i>fahren</i>
noun (thing)	<i>die Pause</i>	<i>die Stauung</i>	<i>das Fahren</i>

C. Your special vocabulary – add 7 or more words that are specific to travel or your special interest for making the trip. Indicate the source where you found the word, so we can correct errors.

word (English)	word (German)	source (dictionary, WWW, etc.)
Gothic	<i>gotisch</i>	<i>www-dict-learn.org</i>
cathedral	<i>der Dom</i>	<i>www.domformen.de</i>
departure	<i>die abfahrt</i>	<i>www.bahn.de</i>
club (for music)	<i>Musikschneepplatz</i>	<i>www.babelfish.com</i>
hostel	<i>die Jugendherbergen</i>	<i>www.dict-learn.org</i>
galleries	<i>die Galerien</i>	"
experimental music	<i>experimentelle Musik</i>	<i>www.babelfish.com</i>

*I think
Mus is a part of a sailboat or a corset (can't decipher first letter)*

very unusual term

¹ A true-life example going from German to English: A German travel website has a link labeled "sofort buchen." An automatic translator converts this to "instant beeches" (the tree, not the seaside). The verb "buchen" means "to book, reserve." The noun "Buche," whose plural is "Buchen," means "beech tree."

Mom & Dad,

Hi there! As you know I've started my German language track this fall and am about to finish up my first term. The class seems to be going pretty well and I have been receiving A's almost all of my test. Mom, you remember the letter in German I was working on last time I was visiting, the one with the photos of the family? You read it seemed to be able to understand my German, did you not? You even helped me with a couple corrections. Well, I'd like to think that my language skills have improved since that assignment which will hopefully be readily apparent with this project were are currently working on. It's called "Traumreise" or "dream trip" and in it were are to come up with destinations and activities to do in Germany. This involved a great deal of research on the internet using primarily German websites. This was challenging at times being that websites are exactly written for someone with 10 weeks of German practice, but I was able to navigate them successfully enough to acquire the information needed. I even emailed a request for further information to a German website (auf Deutsch of course) and got a timely response written back in German.

hope it's in the support kit

Since my major is Art History and I am currently very interested in medieval and gothic art the first leg of my Traumreise would be going to Köln (Cologne) in western Germany and visiting the various great gothic cathedrals there, especially the Kölner Dom, one of the most famous cathedrals in Germany. The city of Köln is rich in its offerings of cathedral tours and art museums, many of which have wings dedicated to medieval art. And did I mention Köln has a Chocolate Museum? ;) In my research I was able to find accommodations available in a couple different youth hostels for pretty reasonable rates, much cheaper than staying at a hotel. The second leg of my trip would find me in north Germany in Hamburg staying with my friend Robert Engelbrecht who I met when he came to Portland to perform at a music festival five years ago and we've kept in contact since. He as always said that I was more than welcome to stay with him if I ever found myself in Germany. Hamburg has good music scene that Robert knows pretty well since he still plays in bands there. And Dad, I could go to the Kaiserkeller which is one of the clubs that The Beatles played at when they were doing their Hamburg stint before they became famous.

Now here's where you come in; I was hoping that you guys would be able to lend me some financial support for this trip and I think using monies from my college fund seems like a reasonable request. Obviously I want to make the trip as fun as possible but it's also going to be an educational trip, especially in Köln, and the best way to really to learn a language is to immerse yourself in it. Plus if you guys know where any of Grandma Elizabeth's relatives lived let me know and I could try to visit those places as well. Anyway, please consider it and understand that this is something very important to me and would have many benefits in the long run. Hope to hear from you soon.

Love,

Party

Extremtanz VIII

Back to the roots, dahin wo alles begann, als die Extremtänzer das tanzen lernten, zurück in die Rote Flora. Noch immer gehen wir mit Stil dem kulturellen Zerfall entgegen, und um sich dessen sicher zu sein, haben sich die beliebten Konzertgruppen

aus der Flora, als da wären die **PINK TANK ENTERTAINMENT GROUP**,

die **GLASHANTEL INC.**, sowie **SATANIC VERSES CONCERTS** **zusammen getan**,

um eine der besten **DISCO** Reihen wieder dort hinzubringen, wo sie entstand.

Dj "SLAVE TO THE MUSIC" GUAPO ist natürlich wieder mit von der Partie,

um den **EXTREMTÄNZERN** seinen Mix aus **WAVE / POP / SYNTHIEPOP / EBM**

und noch vielem mehr, um die Ohren zu hauen, auf dass Sie von den Ohren direkt in die Beine geht!

Als Verstärkung wird erstmalig **DJ DANCY DANCE EXPLOSION** mit dabei sein, um mit seinem Schwerpunkt, 80er Pop, GUAPO zu unterstützen.

Also, auf, auf zur **ROTEN FLORA** am 1.12. werft euch in Schale, seid kreativ!

seid **REVOLUTIONÄR!**

Zeigt den alten Flora Dielen was es heisst zu tanzen!
