Vocabulary (15+ items).

A. The words in the chart below have multiple meanings. Choosing the wrong German equivalent can easily lead to miscomprehension and even embarrassment. For the English words find the German word that relates to travel. Then contrast it to one or more other German equivalents of the same word that mean very different things.

	travel	word	other word	#1	other word	#2
Example: "customs"	at the border	Zoll	ways of doing things in an entire culture	Sitte, Tradition	personal ways or habits of doing things	Gewohn- heiten
Reservation	of hotel, etc.	Die Reservierung	limitation, requirement	Der Vorbehalt	where some Indians live	Das Indianer Reservat
Advance	ahead of time (in advance)	Vorschießen/ Vorbringen (m VO) (w)	money received ahead of time	Die Vorauszahlung	to go forward	Weitermachen
Deposit	a partial pre- payment	eine Anzahlung für etw. leisten	to make a partial pre- payment	Zahlen der teil/Anzahlen	a substance left on something	Der Stoff
Cancel	to decide not to do something	Absagen	to place a mark on something	Abgrenzen 5 Close oft i	Ţ.	
Pick up	to fetch someone	Mitnehmen	to lift up	Hochnehmen/ Heben	to clean up	Aufräumen

B. The following words are ambiguous in English with regard to part of speech. Each can be either a noun or a verb. (Example of verb-noun ambiguity: "You can file [verb] this file [noun].") Choosing the wrong German equivalent will not likely cause embarrassment or downright miscomprehension, but your language will come across as very distorted. For each word list both of its *travel-related* equivalents in German (ex: "drive" (noun") – word for a "drive" in the country, NOT the word for a "driveway".

	stay	delay	Drive
Verb (action)	Bleiben	Aufhalten/ Verzögern	Fahren/Treiben
Noun (thing)	Der Besuch	Die Verspätung/ Die Verzögerung	Die Fahrt

C. Your special vocabulary – add 7 or more words that are specific to travel or your special interest for making the trip. Indicate the source where you found the word, so we can correct errors.

word (English)	word (German)	source (dictionary, WWW, etc.)
	1.77 (5) (1.87.5) (1.47.5) (5) (1.17.5) (1.7.5)	1개(마시크인의 (기시구시) 보기가의 기교에서 전혀가 가게 되었다. 이 바로 시에 다시가 되었다.

¹ A true-life example going from German to English: A German travel website has a link labeled "sofort buchen." An automatic translator converts this to "instant beeches" (the tree, not the seaside). The verb "buchen" means " to book, reserve." The noun "Buche," whose plural is "Buchen," means "beech tree."

Dear Grandma,

As you know, I am studying German this year which will be crucial for my success in Egyptology. Visiting Germany would be very helpful to my language and Egyptological studies. Visiting Germany has been on my initial life list I created in grade school; this summer I would like to visit the country for at least two weeks before I start graduate school.

In class, we have studied basic German which I can use to travel cost efficiently. Language units covered include hotels, food, numbers, and basic conversations; therefore, I will be able to avoid expensive hotels and travel vehicles where people only speak English. Other than saving money, this will allow me to improve my pronunciation, discover new vocabulary, and to learn about German culture. I have developed an ideal trip and included an itinerary for your viewing pleasure. I would like to visit many of the museums in Germany to see their Egyptology collections including the famous bust of Nefertiti. The Ägyptisches Museum Berlin holds many artifacts from the Amarna period; the statue of Akhenaten you painted for me is from the same time period. Additionally, I would like to visit Neander Valley near Duesseldorf. Neander Valley is where the first Neandertals were discovered in 1856. As an anthropology major this is somewhere I must visit during my life. Berlin is in eastern Germany, and Dusseldorf is in the west; the distance between the two is approximately 305 miles. I would like to take a train between the two locations during the night so I can sleep on the train, and avoid hotel costs. I will need to take the train to a few other cities to see the other museums on my itinerary. Again, I will sleep on the train as much as possible. I plan on walking as much as possible too so I can see as much of the environment as possible, as time allows.

I am saving money for graduate school and am unable to afford the trip. If you feel gracious enough to help out, I would be happy to send you a post card every day, show you my photographs upon my return, and bring you a few souvenirs.

I love you Grandma,

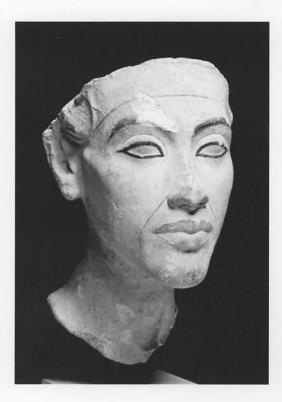

The play
