Scoring Guide for Writing Test K07 (F2004)

	Factor 1 (10%) Vocabulary: Fahrkartenschalter	Factor 2 (15%) Vocabulary: Invitation	Factor 3 (25%) Pepal note (describe person & relationship)	Factor 4 (50%) big event
6	user of list could easily deal with all 3 conditions; list includes precise vocabulary (track, one-way/round-trip; ride/go); there are several rich sentences with little distortion at the level of words and syntactic units; little syllable distortion	see F1; uses several verbs beyond would like, to be, to have (ex: eat, drink, stay); deals with getting name of the place; names specific food & drink items, or uses "special"; short cut indicators: to taste; steals the "invite" phrase, and adjusts it correctly;	Tells several things about the person, with clear distinction of 3S verb endings. Beyond that, even more 3S content or else accurate use of "wir" & verbs. Several verbs beyond be & have. Intermediate-Low features are consistently evident	clear description with rich detail (I'm in G now and everyone understands me!); uses present tense + time phrase to convey future, sometimes with correct front-field word order; the content is clearly personal rather than generic (shows acquisition of cultural content through projects)
5	much of 6	much of 6	much of 6	much of 6
4	user of list could undertake to deal with all 3 conditions, but interlocutor would have to help with details (but would not have to play big guessing games);		Reader can understand, without a lot of guessing, that the writing is describing someone else. Person of pronouns and verbs is distinguished often; basic word order, verb forms, and genders show knowledge of German principles	carries out the task at the intermediate-low level, and includes some personalized content
3	most of 4	most of 4	most of 4	most of 4
2	several groups of simple words and a few seriously distorted sentences	little evidence of vocab and structures of recent Kontexte	substitutes English words; retains English word order; distorts basic letter/sound combinations	general effect is Novice-mid; brief message with considerable English substitution; little evidence of personalization of cultural content
1	a few words	recent content absent	a few words	a few words and a short sentence or two, almost all distorted severely

German Writing Test K07 (F2004)

3 parts • total time: 60 minutes

Use the space given as a guide to how much to write.

Part 1 Word and phrase generation (15 minutes)

You're in a German-speaking country and are about to go out to do some errands. You're worried that you'll forget vocabulary and other important language, so you are making up a "cheat sheet" of key language: some single words, some phrases, and some sentences that you have mostly memorized but are worried that you'll forget under pressure. The first context is taken directly from the course. The second asks you to combine knowledge from several various parts of the course into resources for a new context. Your lists will be judged on how helpful they would be, not just how long they are. Don't pad your list by including words like "und" as separate items.

Fahrkartenschalter — At a big-city train station you will be arranging train tickets for several people who: 1) are of different ages; 2) will be traveling to a range of destinations both near and very far; and 3) may have to hurry to make their trains.

wir brauchen (eine karte)(2 karten) für 2 kinder oder 2 personen
Wieviel kostet eine karte nach köln für zwei kinder?

Wann ist der nächste zug nach
Welch gleis ist das?

Wo ist gleis 7? sind
Kontschuligung, wir spät,

Wieviel uhr es ist?

Wo ist die Damentoilette?

hin und zurück
einmal zweimal
fahrkartenschalter
zug, gleis

Wir laden Gäste zum Restaurant ein / We invite guests to a restaurant— You're in a German-speaking country, and a week ago an acquaintance or business contact made you feel welcome by taking you to dinner at a local restaurant that served American-theme food. Now you'd like to return the kindness, but you want to show that you are putting down some cultural roots in your new temporary home. You halfway recall that your associate once pointed out a favorite local-cuisine restaurant. Your list should help you 1) make an invitation; 2) get your guest to jog your memory about the local-food restaurant; 3) make it clear that the treat is on you

hallo,

danke schön für abendessen am Montag, der 3 Dezember (3.12.2006)

ich möchte kommen sie das Restaurant in Süd Berlin.

am Freitag der 8 Dezember (8.12.2006), sagen Sie das

Restaurant ist fantastische. wir essen und trinken und

ich möchte zahlen. Bis Freitag, Auf Wiedersehen.

Part 2 Sentence generation, narrow topic (15 minutes)

You're at the stage in a penpal relationship with a German speaker that you are exchanging information about family and friends. Choose someone you know well – it could be a family member or a friend, or maybe even one of your instructors. Try to tell as much as you can about that person and your relationship with each other. It's probably better to avoid old stories and abstract concepts ("generous," etc.); concentrate on the concrete things. Even if you think they are trivial, they will be new to your penpal.

hallo, gehts
 Wie gehts? ^{I am well-behaved} ich bin gut. es geht mir gut. meine Schwester Heather sagen
 hallo. meine Schwester Heather ist meine erst Schwester.
 Heather hat 2 Töchter. Heathers erst Tochter heisst Azure. Azure ist 18 Jahre alt. Heathers jungster Tochter heisst Veronica. Veronica ist 14 Jahre alt. Heather ist 39 Jahre alt. Sie Vater ist nicht meine Vater. ich liebe meine Familie. Auf Wiedersehen.
 Alles gute ...

Part 3 Extended text generation, multiple focus (30 minutes)

It's a little way into the future now, and you are in a German-speaking country. Something really nice, something related to your experience in studying German, is now beginning to happen. In a short letter to someone you would naturally write to in German (a favorite classmate, an overseas acquaintance, your old German teacher), tell about the happy occurrence that's coming about. Maybe it has to do with one of the projects you did in class. If you didn't get much from the projects, use something like an expenses-paid trip to Europe for your topic. A few years ago one of our students was given such a trip for Christmas—for herself, her boyfriend, and the two mothers(!).

Daddy Warbucks,
 wie gehts? ich bin fantastische. ich mag Deutschland, und ich mag Göttingen. ich studier Geschichte der Mathematik am Georg-Augustus-Universität, und ist sehr interasant. Morgan wir gehen die Heidelberg Schloss, ich bin sehr fröhlich. ich liebe schlossen, mögen sie schlossen? ich möchte gehen die Neuschwanstein Schloss, aber ist ein bisschen zu teuer, und Heidelberg ist alter, ich gehe mit meine freund aus Süd Deutschland. Vielen Dank. für zahlen alles. Auf Wiedersehen.
 Alles liebe
